

Effective **June 4, 2007** Truckers will need to be fully registered with **eModal** Trucker Check to be able to enter **Dundalk** and **Seagirt Marine Terminals** in Baltimore.

#### How do I comply?

1. Register your company with eModal
2. Register your trucks and drivers in eModal Trucker Check

#### How do I register my company?

- Registration is free. You must have a valid email address.
- Go to [www.emodal.com](http://www.emodal.com) and select "Register as a new user."
- Follow the prompts for entering in all company information.
- Allow a maximum of 24 hours for application processing.
- Approved applicants will immediately receive a username and password via email.

#### How do I register a truck and driver?

- You must have a valid SCAC **and** either an MCP **or** USDOT number to register your trucks and drivers in eModal.
- You can obtain a SCAC code from [www.NMFTA.org](http://www.NMFTA.org).
- After you receive your username and password go to [www.emodal.com](http://www.emodal.com) and log in.
- From the eModal Trucker Check drop down menu, select "Add Driver."
- Follow the prompts to enter truck and driver information.
- Fields marked with a blue asterisk (\*) are required.

#### How do I know my truck and driver info is successfully available for the terminals?

- From the eModal Trucker Check drop down menu, select "Search eModal Trucker Check feeds."
- Select Baltimore from the feed format drop down option.
- Select to search by CDL# or Plate#

- Enter the requested driver/truck information in the appropriate field.
- Select the “Search” button.
- The data displayed is made available for the terminals.

**How long does it take for my information to appear at the terminals?**

Information entered may take up to an hour to be downloaded from eModal to the MPA computer. Please allow a minimum of 1 hour prior to calling for verification.

**What if I have a question concerning my registration?**

Please call (877) 7-eModal and a customer service representative will be happy to assist.

Thank you.

Maryland Port Administration
